

Certified Protection Professional Study Programme

14-18 May 2012
(pre-course work starts Jan 2012)

£1695* plus VAT
(ASIS Region 25 Member Fee)

In preparation for the ASIS CPP[®] certification

The CPP[®] designation is the most widely recognised security management qualification in the world, providing employers with proof of the holder's advanced knowledge of security management. Research from ASIS International consistently confirms that the CPP[®] enhances career prospects.

Qualification is by computer-based examination. **Applications to sit the examination, which costs \$300 for ASIS members and \$450 for non-members should be made direct to ASIS International via the ASIS website.**

<http://www.asisonline.org/certification/cpp/index.xml>

The examination is difficult to pass without guided preparation. ARC Training, on behalf of Chapter 208, provides a **complete learning package** combining pre-course work and a residential course in Berkshire, UK, to prepare candidates for the examination.

The ARC Programme Package Includes:

- A copy of the CPP[®] Study Guide
- A guided distance learning programme, comprising **mandatory** monthly tasks
- A five-day intensive and interactive fully-residential course designed to explain, consolidate and discuss the subjects and to test delegate knowledge

Course Dates:

14-18 May (mandatory pre-course work commences January) - Booking deadline 6 January 2012

Fees:*

ASIS Region 25 members (includes UK Chapter 208) : £1695 plus VAT

Non-members and those outside Region 25 : £1850 plus VAT

Non-residential course fees on request.

Subjects Covered Include:

Security Principles and Practices; Business Principles and Practices; Personnel Security; Physical Security; Information Security; Crisis Management; Investigations; Legal Aspects (UK candidates only).

Candidates need to subscribe to the study package by the deadline date listed above.

IMPORTANT - Applying for the CPP[®] Certification Exam

The CPP[®] examination is conducted by ASIS International and is computer-based at a number of Prometric test centres around UK and globally. Prospective candidates are responsible for checking their eligibility to sit the examination and for registering direct with ASIS International in the United States as well as for booking their exam date direct with their preferred Prometric test centre location.

Further details of the subject matter, set reading materials, examination entry criteria, exam application form and Prometric test centres can be found on the ASIS website:

<http://www.asisonline.org/certification/cpp/cpphow.xml>

The examination fee is not included in the ARC study package fee, nor are the set reading materials – details of which can be found on the ASIS website.
