Physical Security Professional Study Programme

In preparation for the ASIS PSP® certification

The ARC learning package aims to prepare delegates for the **ASIS International PSP® (Physical Security Professional)** examination. The PSP® designation is internationally recognised and provides proof of holder's knowledge of physical security measures and enhances their in-company credibility and career prospects. There has been a 100% pass rate for candidates attending this programme over 3 successive years.

Qualification is by computer-based examination. **Applications to sit the examination, which costs \$300 for ASIS members and \$450 for non-members, these should be made direct to ASIS International via the ASIS website.**

Subject Details: The physical security examination is targeted to security professionals whose primary responsibility is to conduct threat surveys; design integrated security systems that include equipment, procedures, and people; or install, operate, and maintain those systems. The test consists of multiple-choice questions taken from the set reference works and covering tasks, knowledge, and skills in:

**Physical Security Assessment; Application, Design and Integration of Physical Security Systems;
Implementation of Physical Security Measures**

The ARC Programme Package Includes:

- A copy of the PSP® Study Guide
- A guided distance learning programme, comprising mandatory monthly tasks
- A five-day intensive and interactive residential course designed to explain, consolidate and discuss the subjects and to test delegate knowledge

Course Dates:

26-30 November (pre-course work commences July) – Booking deadline – 6 July 2012

Fees:*

ASIS Region 25 members (includes UK Chapter 208): £1695 plus VAT

Non-members and those outside Region 25: £1850 plus VAT

Non-residential course fees on request

Candidates need to subscribe to the study package by the deadline date listed above.

IMPORTANT – Applying for the PSP® Certification Exam

The PSP® examination is conducted by ASIS International and is computer based at a number of Prometric test centers around UK and globally. Prospective candidates are responsible for checking their eligibility to sit the examination and for registering direct with ASIS International in the United States as well as for booking their exam date direct with their preferred Prometric test centre location.

Further details of the subject matter, set reading materials, examination entry criteria, exam application form and Prometric test centres can be found on the ASIS website:

<http://www.asisonline.org/certification/psp/psphow.xml>

The examination fee is not included in the ARC study package fee, nor are the set reading materials – details of which can be found on the ASIS website.
